June 2007 Block Set

Fabric	Cut
Red	Cut EIGHT (8) 2 1/4" square
White	Cut FOUR (4) 2 1/4" squares
Blue	Cut FOUR (4) 2 1/4" squares
White	Use TEMPLATE and cut FIVE (5) stars
Fusible Web	Enough for 5 stars

Patriotic Patch Block

- 1) Sew the squares together, as shown. Press toward the red fabric:

- 2) Press the fusible web to your white fabric for the stars, tracing around the template (on the paper side of the fusible web) and cut out your stars. Place your stars onto your background fabric, as shown in the block example above and press to set.
- 3) Once finished, stitch around your stars in whatever way you prefer -- I used raw-edge appliqué by stitching 1/4" inside of the borders of the stars!
