HST - Figure #1

Half-Square Triangle (HST) Tutorial

HST Figure #2

Place the Cream Dot 5 3/8" square on the Orange Diagonal Plaid 5 3/8" square (right sides together) and sew 1/4" on EACH SIDE of the line you drew (Figure #1). Then cut the Half-Square Triangles (HST's) apart ON the line you drew. You'll end up with TWO (2) Half-Square Triangles (Figure #2). Press toward the darkest fabric. Clip your corners (aka dog ears). Repeat the same process for the Cream Dot 5 3/8" squares & the Teal Large Floral 5 3/8" squares. The finished size's a 4 1/2" square.

Quilt Note: When making Half Square Triangles, try cutting your squares 1/4" or 1/2" larger than the pattern calls for, then trim them down to the exact size needed for your quilt block. You need a **total of TWO (2) of each colored fabrics shown above** of these HST's for ONE (1) "Girl's Favorite" quilt blocks!

Quarter-Square Triangle (QST) Tutorial

First make a Half-Square Triangle (HST). Place the Cream Dot 5 3/4" square on the Light Pink Diagonal Plaid 5 3/4" square (right sides together) & sew 1/4" on EACH SIDE of the line you drew (shown in **blue** in Figure #1 below). Then cut the Half-Square Triangles apart ON the line you drew (shown in **red** in Figure #1 below). You'll end up with TWO (2) Half-Square Triangles. Press toward the darkest fabric. Clip your corners (aka dog ears). The finished size's a 4 1/2" square.

HST - Figure #1

HST Finished

On the back side of one of the HST's, draw a diagonal line, corner-to-corner ONE (1) time (shown in **red** in Figure #2 below). Nestle the TWO (2) HST squares together (opposite colors nestled against opposite colors) & sew 1/4" on EACH SIDE of the line you drew (shown in **blue** in Figure #2 below). Cut them apart ON the line that you drew (shown in **red** in Figure #2 below).

Quarter-Square Triangle (QST) Tutorial (cont.)

Once you’ve cut them apart, then on the back side, you want to swirl the center seam. You do this by popping open the first couple of stitches. This allows you to open it & get the square to lay very flat (read: the seams will lay down better). Check out this short tutorial to see how to swirl your QST: <https://www.bonjourquilts.com/seamswirl/>. Then trim it down to the exact size that you need for your quilt block.
