

TT Calendar Quilt

Make a Calendar Quilt and/or Make a Quilt Calendar!

2007 BOM Project from BOMQuilts.com & AbbiMays.com

January 2008 Block Set

Binding Your Quilt Calendar Block Set for Beginners

- 1) With your completed quilt calendar top, cut or piece a fabric AND batting for the backing, the same size as your front.
- 2) Sew THREE (3) sides of this together, as you would a pillow - right sides together.

Sew THREE (3) sides of this sandwich together.

- 3) Now, turn the block set right-side out, just like a pillow, pressing your seams and corners out as best you can.
- 4) Next, complete the final edge, folding and pressing a 1/4" seam allowance in and either whip-stitching or machine stitching the opening closed. Once completed, use your sewing machine to sew one or two lines of stitching all the way around your block set.

Top stitch around the entire block set, using matching thread.
