Block #3 - Hither & Yon (continued)

Hither & Yon Quilt Block

Quilt Note: When making half-square triangles, try cutting your squares 1/4" or 1/2" larger than the pattern calls for, then trim them down to the exact size needed for your quilt block.

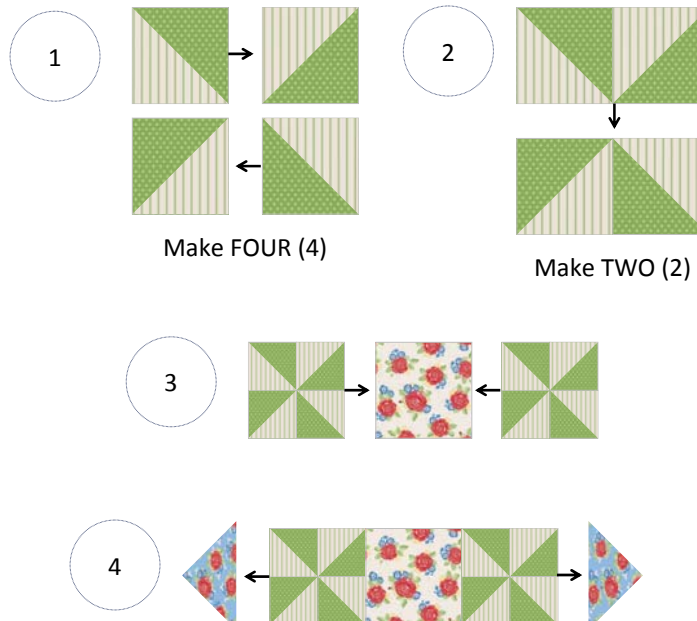

In the case of the “Hither & Yon Quilt Block,” you need to trim the center section’s half-square triangles down, so they measure 3” squares.

Press in the direction of the arrows.

The best way to sew this quilt block together is to sew it diagonally. Begin with sewing the center section together, then sew the two other corners of the quilt block together. Finally, sew the two corners to the center section.
