Block #8 - Flying X (continued)

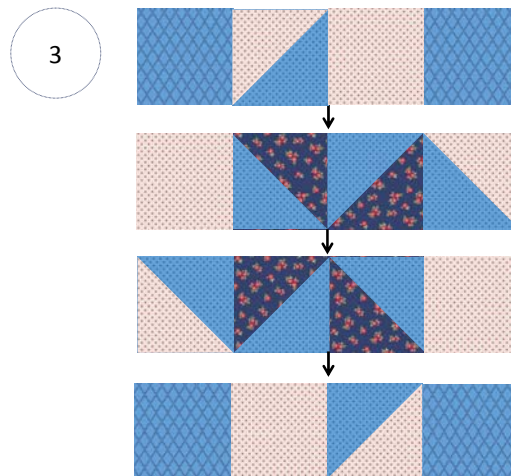

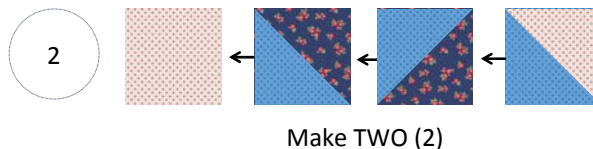

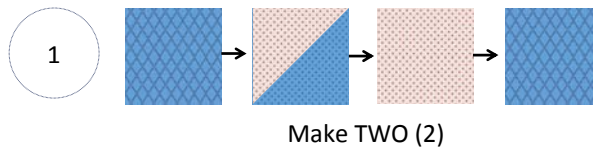

Flying X Quilt Block

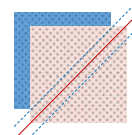

Quilt Note: When making half-square triangles, try cutting your squares $1/4"$ or $1/2"$ larger than the pattern calls for, then trim them down to the exact size needed for your quilt block.

In the case of the “Flying X Quilt Block,” you need to trim the half-square triangles down so they are $4"$ square.

Press in the direction of the arrows.

Half-Square Triangle Tutorial

Place the Stars Red/White $4\ 1/2"$ square on the Stars Navy/Blue $4\ 1/2"$ square (right sides together) and sew $1/4"$ on EACH SIDE of the line you drew. Then cut the half-square triangles apart ON the line you drew.

You will end up with TWO (2) half-square triangles.

Press toward the darkest fabric. Clip your corners (aka dog ears).

Repeat this technique for remaining half-square triangles, paying attention to the fabric colors, for this quilt block.
