Block #9 - Yankee Puzzle (continued)

Yankee Puzzle Quilt Block

Quilt Note: When making half-square triangles, try cutting your squares $\frac{1}{4}$ " or $\frac{1}{2}$ " larger than the pattern calls for, then trim them down to the exact size needed for your quilt block.

In the case of the “Yankee Puzzle Quilt Block,” you need to trim the half-square triangles down so they are 4" square.

Press in the direction of the arrows.

Half-Square Triangle Tutorial

Place the Tiny Rose Cream/Red $4\frac{1}{2}$ " square on the Dot Green $4\frac{1}{2}$ " square (right sides together) and sew $\frac{1}{4}$ " on EACH SIDE of the line you drew. Then cut the half-square triangles apart ON the line you drew.

You will end up with TWO (2) half-square triangles.

Press toward the darkest fabric. Clip your corners (aka dog ears).

Repeat this technique for remaining half-square triangles, paying attention to the fabric colors, for this quilt block.
