The fabrics can get confusing because they run from lights to darks & everything in between. So here's the fabrics go into this quilt block & the numbers associated with them:

Cherry Bomb

Sugar
Magnolia

Raspberry
Beret

Black

This pattern has been tested, to the best of our ability. If your block does not come out the size shown, please try adjusting your needle position to the appropriate position (left or right) to see if you get the correct block size.

Black - Color #6	Cut THIRTY-SIX (36) 3" squares. On the back side of the squares draw a diagonal line, corner-to-corner, ONE (1) time.
Black - Color #6	Cut NINETY-SIX (96) 2 1/2" squares. On the back side of the squares draw a diagonal line, corner-to-corner, ONE (1) time.

Since “Cherry Bomb - Color #3” was used in the “Chained Star” quilt block, there’s *just enough* of that fabric leftover, if you purchased the “Midnight Stargazer” quilt kit from Abbi May's Fabric Shop. As long as you cut the fabric out *exactly* as this pattern calls for, you'll have enough of it, for this “Union Star” quilt block!

Block #3 - Piecing the “Union Star” Quilt Blocks Together

Make a total of SIX (6)

Half-Square Triangle (HST) Tutorial

Place the Raspberry Beret 3” square on the Black 3” square (right sides together) and sew 1/4” on EACH SIDE of the line you drew (shown in **green** in Figure #1). Then cut the half-square triangles apart ON the line you drew (shown in **red** in Figure #1).

HST - Figure #1

Red line = Drawn line

Green dashed line = Sew 1/4” on EACH SIDE of the drawn line

You will end up with TWO (2) Half-Square Triangles (Figure #2). Press toward the darkest fabric. Clip your corners (aka dog ears).

HST Figure #2

Quilt Note: When making HST’s, try cutting your squares 1/4” or 1/2” larger than the pattern calls for, then trim them down to 2 1/2” square. You need to make a total of SEVENTY-TWO (72) for all SIX (6) “Union Star” quilt blocks.

Flying Geese Tutorial

This is an alternate way to make a traditional Flying Geese. It’s more like making Snowball Corners. You’ll see in my “Cutting Instructions,” to draw a line on the back side of some fabrics (shown in **red** in Figures #1 & #2), corner-to-corner.

Figure #1

With right sides together, line up the smaller square so that it is perfectly even with the corner & sides of the rectangular piece. Then you’ll sew, ON the line you drew & cut off the corner, 1/4” from the line you sewed (shown in **green** in Figure #2). Press toward the darkest color (Figure #3). You need to make a total of TWENTY-FOUR (24) for all SIX (6) “Union Square” quilt blocks.

Figure #2

Figure #3 -

Finished Flying Geese

Repeat this same process for the opposite corner. And repeat the entire process with the Red Hot Chili Pepper (Color #3) & the Black (Color #6) fabrics. You need to make a total of TWENTY-FOUR (24) for all SIX (6) “Union Square” quilt blocks.

The unfinished Flying Geese size’s will be 2 1/2” x 4 1/2” rectangles.

A diamond-shaped quilt block, also known as a 'star' or 'pinwheel' block. It features a central square surrounded by four triangles, which are further surrounded by a border of smaller squares and triangles, creating a complex geometric pattern.
