There are THREE (3) different sections to the "Roman Squares Quilt Block". The best way to sew them together is by chain piecing each quadrant, then sewing the quadrants into rows & sewing the rows into quilt blocks:

1. At the center of the quilt block is a Four-Patch consisting of FOUR (4) 2" (unfinished) squares.
2. Then there's an inner border consisting of FOUR (4) 2" (unfinished) squares and FOUR (4) 2" x 3 1/2" (unfinished) strips.
3. Finally, there's an outside border consisting of FOUR (4) 2" x 3 1/2" (unfinished) strips and FOUR (4) 2" x 5" strips.

This pattern has been tested, to the best of our ability. If your block does not come out the size shown, please try adjusting your needle position to the appropriate position (left or right) and see if you get the correct block size.
