All Cuts Needed for the "Northern Pine" Quilt Blocks

Color	Cuts
Brown	Cut THREE (3) 4" squares
Green*	Cut FIVE (5) 4 1/4" squares. Then cut the squares diagonally, corner-to-corner, ONE (1) time. You'll end up with TWO (2) triangles per square. You only need NINE (9) of these triangles for this quilt block.
Med. Green*	Cut FIVE (5) 4 1/4" squares. Then cut the squares diagonally, corner-to-corner, ONE (1) time. You'll end up with TWO (2) triangles per square. You only need NINE (9) of these triangles for this quilt block.
Dark Green*	Cut TWELVE (12) 4 1/4" squares. Then cut the squares diagonally, corner-to-corner, ONE (1) time. You'll end up with TWO (2) triangles per square.
White*	Cut SIX (6) 4 1/4" squares. Then cut the squares diagonally, corner-to-corner, ONE (1) time. You'll end up with TWO (2) triangles per square.
White*	Cut SIX (6) 7 1/4" squares. Then cut the squares diagonally, corner-to-corner, ONE (1) time. You'll end up with TWO (2) triangles per square.
White	Cut SIX (6) 3 1/2" x 5" rectangles.

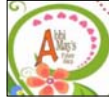

*These cuts are a 1/8" to 1/4" larger than needed. Reason being is so that there's enough fabric there to paper piece each individual section of the quilt block. If you're new to paper piecing it's recommended that you cut out your fabrics as listed above. If you're not new to paper piecing, use your discretion & cut them out as you see fit!

This pattern has been tested, to the best of our ability. If your block doesn't come out the size shown, please try adjusting your needle position to the appropriate position (left or right) and see if you get the correct block size.
