**There are never enough "Empirical  
Crosses"!**

This pattern explains how to make ONE  
(1) single "Empirical" quilt block & ONE  
(1) "Empirical" Table Topper.

With this pattern it's possible to make a  
"Empirical" Table Runner, a Long Table  
Runner, a Lap Quilt or a Quilt. Just de-  
crease or increase the number of  
"Empirical" quilt blocks to reach the  
desired size of the finished project!

**There's an additional quilt  
block in the "Empirical Lap  
Quilt" & in the "Empirical  
Quilt"**

The following pages have all  
of the info necessary to sew  
"The King's Star" quilt block  
together!

**Congrats!**

Now that the "Empirical" Table Top-  
per is sewn together, it's time to  
quilt as desired & then sew on the  
binding!
