How many times do you walk by a bell ringer at & around Christmastime? They're usually stationed outside of your grocery stores and/or your favorite big box store. That is what this quilt should remind you of! The bell ringer is in the center of this quilt block!

This pattern explains how to make ONE (1) “Christmas Bells Lap Quilt.” It can be made smaller (for a table topper) or larger (for a bed quilt).

Just decrease or increase the number of “Window Pane Chain Quilt Blocks” to reach the desired size of the finished project!

Congrats!

Now that the “Christmas Bells Lap Quilt” is sewn together, it's time to quilt as desired & then sew on the binding!
