If a Christmas Wreath is hanging on the front door of a house, that is supposed to signify that the occupants are friendly, to Christmas visitors! That's the inspiration for this lap quilt!

This pattern explains how to make ONE (1) "Christmas Wreath Lap Quilt." It can be made smaller (for a table topper) or larger (for a bed quilt).

Just decrease or increase the number of "Window Chain Quilt Blocks" to reach the desired size of the finished project!

Congrats!

Now that the "Christmas Wreath Lap Quilt" is sewn together, it's time to quilt as desired & then sew on the binding!
